

I was five and you were six
We rode on horses made of sticks
You wore black and I wore white
You'd would always win the fight

Bang Bang, you shot me down
Bang Bang, I hit the ground
Bang Bang, that awful sound
Bang Bang, my baby shot me down

Seasons came and changed the time
I grew up I called you mine
You would always laugh and say
Remember when we used to play

Bang Bang, you shot me down
Bang Bang, I hit the ground
Bang Bang, that awful sound
Bang Bang, my baby shot me down

Now you're gone I don't know why
Sometimes I cry
You didn't say goodbye
You didn't take the time to lie

Bang Bang, you shot me down
Bang Bang, I hit the ground
Bang Bang, that awful sound
Bang Bang, my baby shot me down

The beat goes on, beat goes on
Drums keep pounding a rhythm to the brain
La de da de de, la de da de da
Charleston was once the rage, uh huh
History has turned the page, uh huh
The miniskirt's the current thing, uh huh
Teenybopper is our newborn king, uh huh
And the beat goes on, beat goes on
Drums keep pounding a rhythm to the brain
La de da de de, la de da de da
The grocery store's the supermart, uh huh
Little girls still break their hearts, uh huh
And men still keep on marching off to war
Electrically they keep a baseball score
And the beat goes on, the beat goes on
Drums keep pounding a rhythm to the brain

La de da de de, la de da de da
Grandmas sit in chairs and reminisce
Boys keep chasing girls to get a kiss
The cars keep a going faster all the time
Bums still cries, "Hey buddy, have you got a dime?"
And the beat goes on, the beat goes on
Drums keep pounding a rhythm to the brain
La de da de de, la de da de da
And the beat goes on, yes, the beat goes on
And the beat goes on, and the beat goes on
The beat goes on and the beat goes on
The beat goes

They say we're young and we don't know
We won't find out until we're grown
Well I don't know if all that's true
'Cause you got me, and baby I got you

Babe, I got you babe
I got you babe

They say our love won't pay the rent
Before it's earned, our money's all been spent
I guess that's so, we don't have a pot
But at least I'm sure of all the things we got

Babe, I got you babe
I got you babe

I got flowers in the spring
I got you to wear my ring
And when I'm sad, you're a clown
And if I get scared, you're always around

So let them say your hair's too long
'Cause I don't care, with you I can't go wrong
Then put your little hand in mine
There ain't no hill or mountain we can't climb

Babe, I got you babe
I got you babe
I got you to hold my hand
I got you to understand
I got you to walk with me
I got you to talk with me
I got you to kiss goodnight

I got you to hold me tight
I got you, I won't let go
I got you to love me so
I got you babe
I got you babe
I got you babe

Chastity Sun, you are the one
That can make me smile
When I'm feeling sad
You come close to me
And my heart goes running free
You are the proof God lives
You are his gift to me

Sweet baby girl
You make my world
Bright and shining new
When I look at you
In your eyes I see
The world that God meant to be
There's no hate or angry
Just love for humanity

We'll have children of the kingdom
They won't be torn by war, torn by hate
Nor will they hesitate to love

Chastity Sun, we are as one
You have come from me
You're the fruit, I'm the tree
I am trying so
But I've got so far to go
I've got so much to teach you
And so much myself to know

Sweet baby one
You bring the sun in a simple way
With the things you say
In my smile or tears
Such innocents in your heart
You make up God's great circle
Cause I am the end and you're the start

We'll have children of the kingdom
They won't be torn by war

Nor will they kill or hate
Or hesitate to love
